

Thank you for contacting us here at Levetec.

We are ready to help you to find the information and products that you need for your grinding and polishing business.

Our Avenger Line of grinding and polishing machines are among the most reliable and hardworking machines on the market today.

Previously made outside of the USA, we are happy to announce that our Avengers are now fully manufactured in the USA; that means more cost savings for you.

We are here to answer any questions that you may have about our products and our company.
